TIME: 8:00 AM to 4:30 PM, lunch on site

COST: \$60 payable by PO, check or cash in advance (preferred) or on site. If you will need an invoice for a PO, please contact Linda Parker at wsaa@olynet.com

WHAT'S INCLUDED: WSAA will provide all course material and coffee break refreshments. Lunch will be on site; bring your own lunch or plan on sharing the cost of ordering out for Deli Sandwiches. This usually costs around \$7.00 per person ordering.

WHAT TO EXPECT: A very full agenda and a hands-on opportunity to work with the same equipment and coaching techniques that you'll be using in the classroom. This is a 12-hour course compressed into the time slot shown above. Please be prompt and ready to participate when you arrive. Dress for casual exercise.

TO REGISTER: Call or E-mail ASAP to register. Please register as soon as you think you may be coming, and please let us know if your plans change at the last minute. We would rather have extra material & equipment than not enough for everyone.
